

MODERN SPIRITUAL MASTERS

Robert Ellsberg, Series Editor

This series introduces the writing and vision of some of the great spiritual masters of our time. Some of these authors found a wide audience in their lifetimes. In other cases recognition has come long after their deaths. Some are rooted in long-established traditions of spirituality. Others charted new, untested paths. In each case, however, the authors in this series have engaged in a spiritual journey shaped by the influences and concerns of our age. At the dawn of a new millennium this series commends these modern spiritual masters, along with the saints and witnesses of previous centuries, as guides and companions to a new generation of seekers.
